

Contractual Issues

I4MS Robotics Projects

DIHs positioning -Funding escalation

Contractual Issues

- ▶ Contracts are now being finalised with the funding partners of the two projects (for HORSE, CEA- for RECONCELL-Five different partners)
- ▶ Contracts start immediately with the signature by both parties- Start date 1st Oct.
- ▶ 6 Month duration

Prefinancing - Payments and Deliverables

- ▶ Advance payment (30-40%)
- ▶ First interim payment after M3 -M5 (30%)- The payment is initiated on the successful submission of deliverables.
 - ▶ Deliverables are evaluated by a committee of some representatives of each project.
 - ▶ Rejection-> improvement of deliverables and resubmission
 - ▶ Acceptance of all deliverables -> Interim payment
- ▶ Final payment at the end with the successful delivery and acceptance of all remaining deliverables.

Recommendations

- ▶ Collaboration agreement between the partners in the Innovation Hubs to control the internal collaboration
- ▶ Payment goes to the coordinator
- ▶ Coordinator distributes the budget to partners.
- ▶ Ensure quality of results, to proceed to next payments
